ONE-DAY TOUR!!

Relax on board our deluxe chartered motorcoach as we travel to the **Midland, Michigan** area for a visit to **Dow Gardens**. The Dow Gardens were started in 1899 by Herbert Dow, founder of The Dow Chemical Company. The Gardens, originally developed on eight acres of flat, sandy land, provided a creative outlet for Herbert Dow's interest in agriculture and design. He created gardens, ponds and hills according to a simple philosophy that we still follow to this day: "Never reveal the gardens' whole beauty at first glance." Thanks to the dedicated guidance of the Dow family, the Gardens have grown to 110 acres. **Shopping** and lunch (on own) will be provided at the **Midland Mall** before our **3:00 pm performance** of **12 Dancing Princesses** at the **Midland Center for the Arts**. Adapted from a Grimm's Fairy Tale, this is the delightful story of 12 beautiful princesses who inexplicably wear out their shoes every night. When the King offers a reward to any man who can solve the mystery, an enterprising soldier takes up the challenge. Can he reveal the secret and claim the prize? **Dinner** is included in your tour. **Register now to reserve your seat on the motorcoach!**
